The Lyrics

Ad Guray Nameh

(Mantra-Chorus, repeat)

Ad guray nameh, jugad guray nameh,
Sat guray nameh, siri guru devay nameh.

You are the answer to my wishes, you are the one,
You are the answer to my wishes,
You are, you are,
You are the one.

Whispering to me
Tender and rare
Holding my face so close
Knowing you're there
born in the Unknown
With wings of desire
You sweetly have spoken to me
Yearn to be free
You are everything
All I ever need
Course I, belong to you
Hold you in my dreams

Knowing you're there
Torn apart
Will you speak to me
Friend of Heaven
You ask me to wait for you
Game we play
Holding on to you
You are the ONE

(Mantra-Chorus, repeat)

Translation for mantra Ad Guray Nameh: I bow to (or call on) the primal wisdom. I bow to (or call on) the wisdom through the ages. I bow to (or call on) the true wisdom. I bow to (or call on) the great transparent wisdom within. It is chanted for protection.

Ra Ma Da Sa 2

(mantra, repeat)

Ra ma da sa, sa say so hung....

(Spoken, poem by RUMI, called "BELOVED")

In my hallucination, I saw my beloved's flower garden.

In my vertigo, in my dizziness, in my drunken haze,

Whirling and dancing like a spinning wheel.

I saw myself as the source of existence,

I was there in the beginning, and I was the spirit of love.

Now I am sober, there is only the hangover, and the memory,
and only the sorrow.

I yearn for happiness. I ask for help. I want mercy,
and my love says: look at me and hear me,
because I am here just for that.

I am your moon, and your moonlight too,
I am your flower garden and your water, too
I have come all this way. Eager for you, without shoes or shawl.

I want you to laugh, to kill all your worries.
To love you, to soothe you, to nourish you.
Oh sweet bitterness, I will soothe you, and heal you.
I will bring you roses. I, too, have been covered in thorns.

Ra ma da sa, sa say so hung....
